

Aftercare Fees

We charge R25.00 per hour or part thereof and an attendance list is done at Aftercare too.

We are aware that some of our pupils need to wait for a school extra mural activity, we therefore offer the opportunity for these children to wait, free of charge, for the 30 minutes before their extra mural begins. The safety of our students is our top priority and the same applies for pupils who have to wait for their parents after extra murals.

However, if students have to stay in Aftercare for an hour or more, an hourly fee will be billed.

Aftercare 2019

Introduction

The Phyllis Jowell Aftercare centre is a dynamic, child centered facility and run by a dedicated, trained team.

It gives the child the opportunity and space to enjoy free time and to explore and learn at the same time.

All activities are voluntary and facilitated by a qualified teacher assistant.

Times

Aftercare starts at 1:10 and ends at 3:30. The Preschool aftercare begins at 12:10. On Friday's aftercare will end at 2:15pm. The indoor facility used also serves as the classroom and we therefore ask parents to be cognisant and respectful when fetching your child in the afternoon not to linger and play in this area. This venue is cleaned and set up for the next day's

Aftercare Programme
